GOING OUT GRIEF

Australians are too Busy

Unpaid overtime of 3.2 billion hours

134 million days of accrued annual leave

7.4 million adults don't get enough sleep

Lockdown & Isolation

Dramatic increase in
calls to lifeline

28% of females and 16%
males reported being
lonely

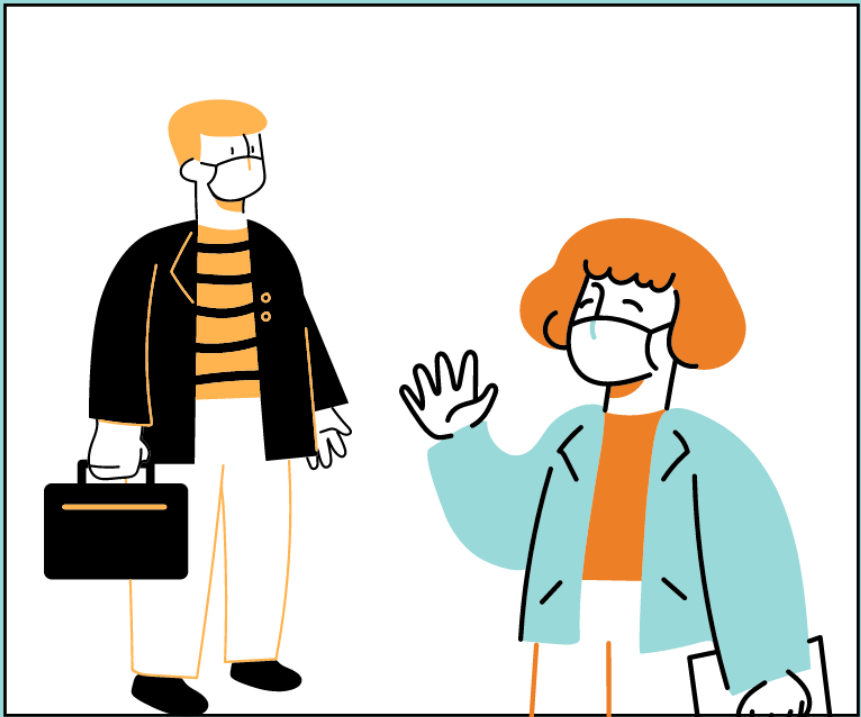

Government Restrictions

Fall of revenue of **18.1%** for pubs & bars, **15%** for restaurants and **75%** for theatres/concert halls

Our Solution

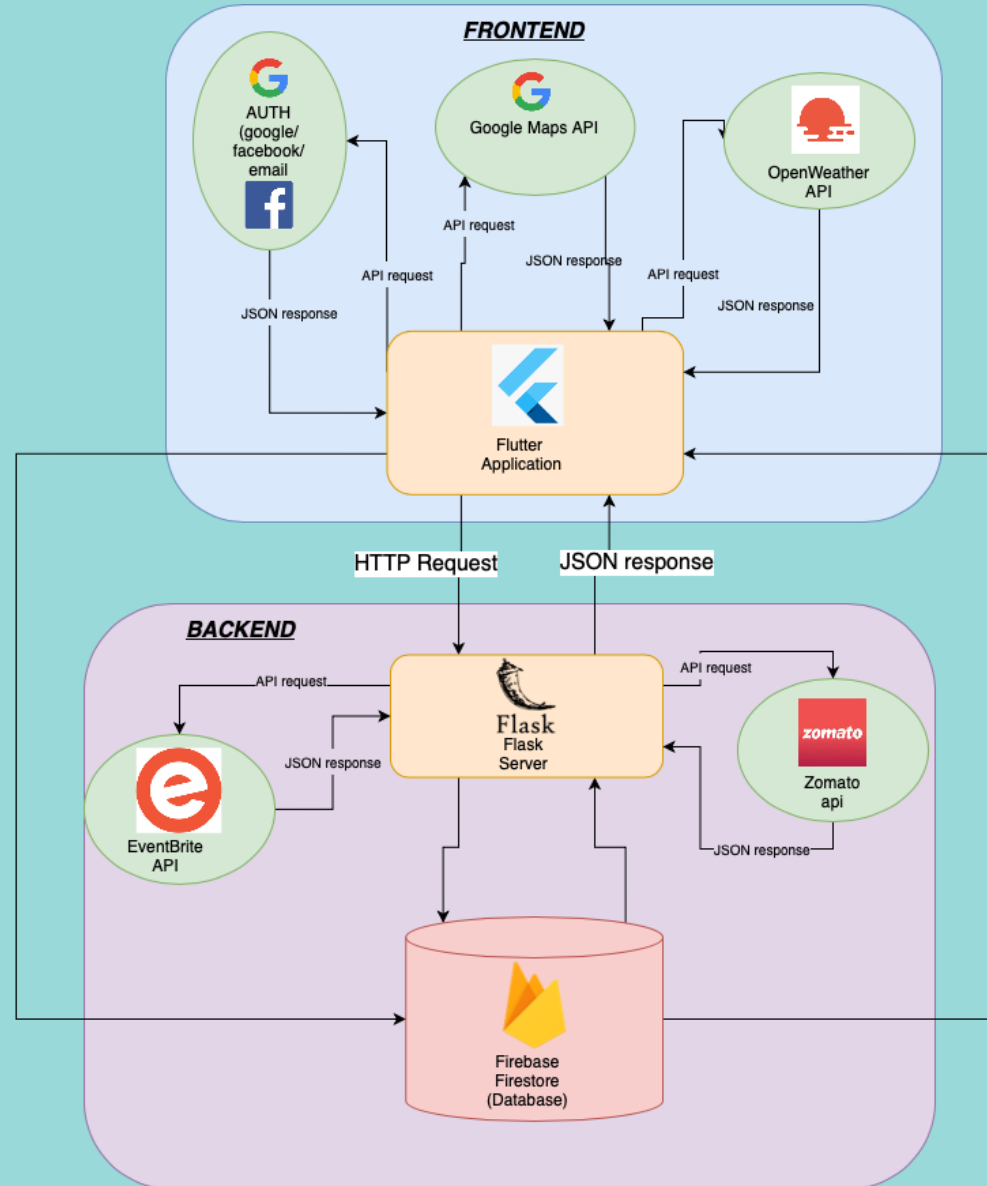

- PlusOne automatically generates a recreational agenda
 - Based on user inputs and preferences

- Integrates multiple databases
 - Greater reach of experiences to explore

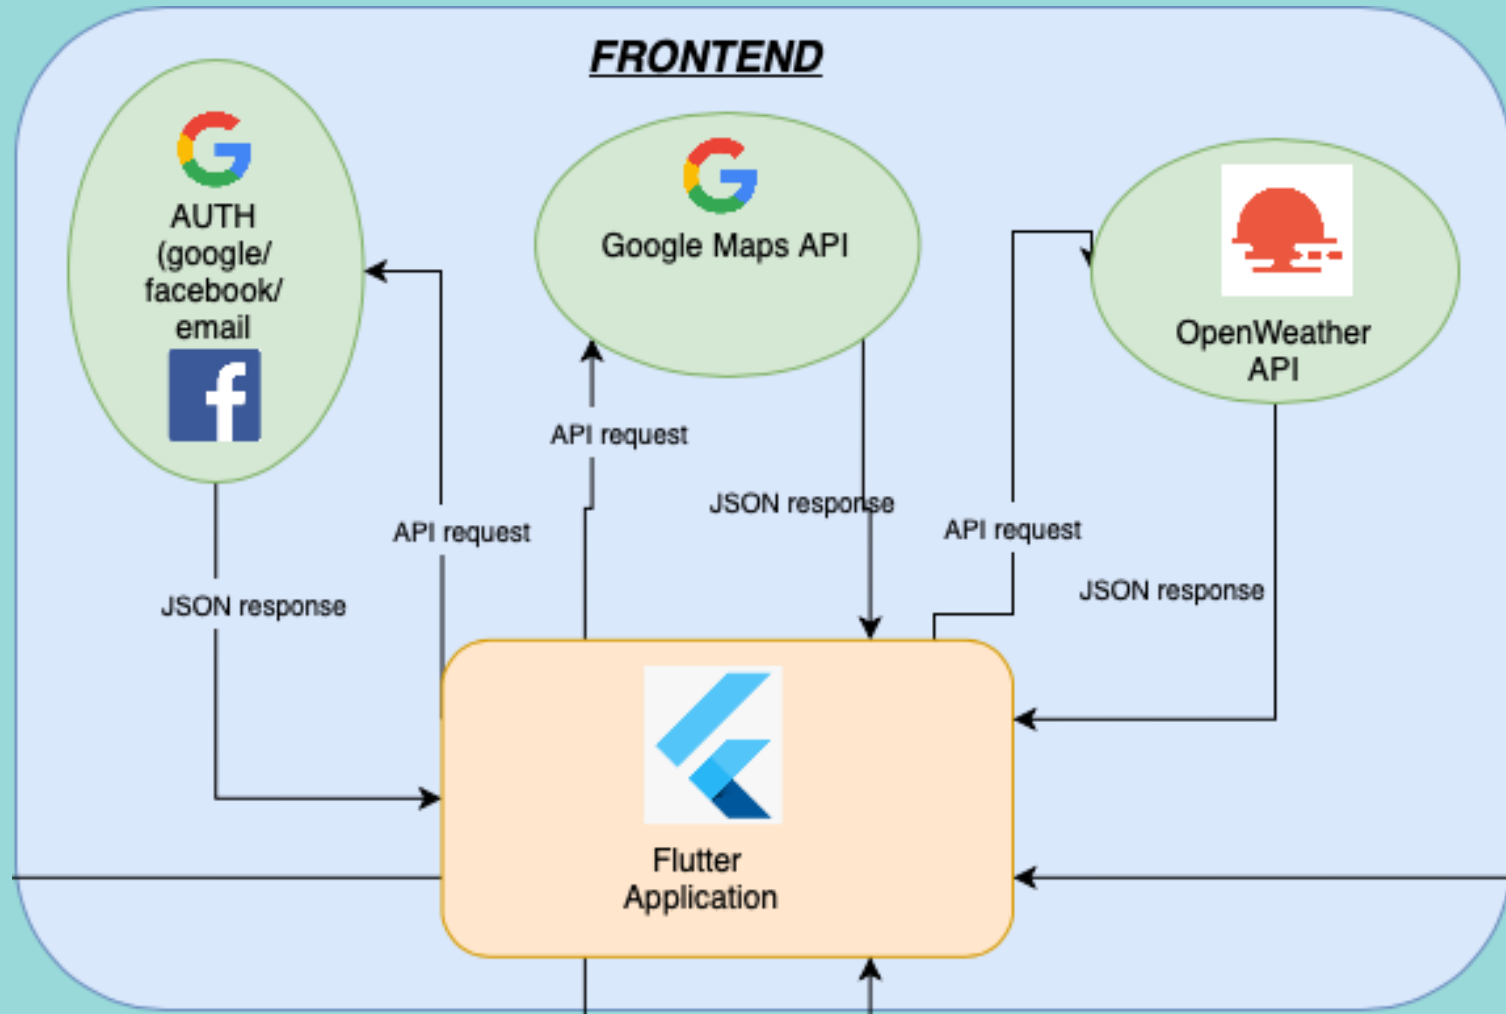

- Ease of planning
 - Makes going out a simple, enjoyable and exciting experience
 - Promotes going out

Software Architecture

- Consists of:
 - Mobile application stack
 - External data sources
 - Programming platforms
 - Languages
 - SDK's
- Split into two distinct sections
 - Frontend
 - Backend

Frontend

Backend
